

Chief Patron

Prof.V.Durga Bhavani
Vice-Chancellor, SPMVV

Patrons

Prof.V.Uma,
Rector, SPMVV, Tirupati

Prof D.M.Mamatha,
Registrar, SPMVV, Tirupati

Prof T. Kalyani Devi
Dean, School of Sciences,
SPMVV, Tirupati

Honorary Advisor

Prof. K.V.S.R.G. Prasad
Institute of Pharmaceutical Technology

Convenor

Prof. R.Nagaraju
Institute of Pharmaceutical Technology

Co-Convenors

Prof. A. Sreedevi,
Dr.D.Sujatha
Institute of Pharmaceutical Technology

Organising Committee

All the Faculty members
Institute of Pharmaceutical Technology

Accredited by NAAC with "A" Grade

Department of Science & Technology,
Government of India

DST-CURIE SPONSORED
Two days National Conference
(IPTCON-2018a)

on

"Recent Trends in
Translational Research"

28th - 29th June 2018

REGISTRATION FORM

PERSONAL INFORMATION

Name(In Capitals):

Designation:

College/University:.....

CORRESPONDENCE ADDRESS:

"Recent Trends in
Translational Research"

28th - 29th June 2018

Organized by

Institute of Pharmaceutical Technology
SRI PADMAVATI MAHILA VISVAVIDYALAYAM
(Women's University)
(Accredited by NAAC with 'A' Grade)
Tirupati-517502, Andhra Pradesh, India
www.spmvv.ac.in

About University

Sri Padmavati Mahila Visvavidyalayam, the only Women's University for both the states of Andhra Pradesh and Telangana was established in 1983 by the then Chief Minister Sri. N.T.Rama Rao. The University is located in the temple town of Tirupati in a serene campus spread over 138.43 acres with all necessary infrastructure to run its academic programs. SPMVV has established itself as a center for research in emerging areas. It is accredited with A Grade by NAAC in 2016. Since its inception, with highly qualified teachers and well equipped laboratories large number of women students are being trained in all aspects of life and are being well furnished to contribute to the social, political and moral development of the society.

About Institute

Institute of Pharmaceutical Technology was set up in 1995. It offers the B. Pharmacy, M. Pharmacy courses (various specializations viz., Pharmaceutical Chemistry, Pharmacology, Pharmaceutics, Pharmacognosy and Pharmaceutical Analysis) and Ph.D. program. It has received several research grants from AICTE, DST- FIST and UGC- SAP. The institute is also actively involved with research programs in various thrust areas.

About the Conference

Institute of Pharmaceutical Technology, Sri Padmavati Mahila Visvavidyalayam (Women's University) is delighted to announce IPTCON 2018a: National Conference on "Recent Trends in Translational Research" funded by Department of Science & Technology,

Consolidation of University Research for Innovation and Excellence in Women Universities (DST- CURIE) under Phase II.

Translational research, expedites the translation of knowledge and innovations from basic laboratory experiments to point-of-care patient applications and promising treatments is often referred to as bench side to bedside transition. Numerous prospects embrace translational research offering a wide scope of employability and skill development in the field of Research and Development. However, there are several obstacles involved in the process that make the translational journey fairly challenging. The major challenges that impede the growth of translational research include insufficient resources, inadequate funding, infrastructure, shortage of qualified researchers, lack of sufficient experience in essential techniques and lack of interdisciplinary approach.

This area of drug discovery demands both the need for cooperation between clinical and pharmacological research and significant role of academia in target identification and drug discovery, design, and development. The Translational Research Conference will provide basic research scientists with a better understanding of translational research, expose them to updates in how to adapt their research for maximum clinical impact, and help them transition into a new career in translational medicine. The event will provide a great opportunity to hear from top medical and scientific research professionals from a range of fields. We are excited to offer this unique platform to promote professional development of early-career investigators in basic and translational research.

Technical sessions

The two day conference includes keynote address and four lead lectures from diverse specialists to provide vision on future research path. Poster and oral presentations by teaching faculty, research scholars, P.G. and U.G. students will be followed.

Submission of abstract for Oral presentations

Abstracts of original research articles in the broad areas of Pharmaceutical and other related life sciences are invited from teaching faculty, research scholars, P. G. and U. G. students.

Submission of abstract for Poster presentations

Abstracts of research or review articles in the broad areas of Pharmaceutical and other related life sciences are invited from teaching faculty, research scholars, P. G. and U. G. students.

Important Dates

Last date for abstract submission : 19-06-2018

Intimation of paper acceptance : 21-06-2018

Last date for Registration : 22-06-2018

Conference dates : 28th - 29th June 2018

Registration Fees

- For students & research scholars – Rs 600
- For Faculty – Rs 800

Registration fees should be by DD drawn in favour of The Convener, IPTCON2018a payable at Tirupati. Photo copy of DD should be submitted along with the abstract.

Format for abstract submission

- Title of the paper (Capital letters, Times New Roman, Font 14 and Bold)
- Names and address of the authors along with email id of presenting author (Times New Roman, Font 12 and Bold). Name of the presenting author to be underlined.
- Text (Times New Roman, Font 12) not more than 250 words.

Mail the abstract to iptcon2018a@gmail.com and send a hard copy along with registration form to the Convener of the conference.

Oral Presentation

All oral presentations will be programmed according to the conference sub-themes. Each presenter will be provided with a strict 10 minute presentation time slot, 8 minutes to present followed by 2 minutes of question / answer.

Presentation rules: Times New Roman 12, 1.5-spaced, text justified.

Poster format

The poster should be of 120 cm X 90 cm size, with a foot note text "IPTCON 2018a, Tirupati" printed at the bottom.

Mail the abstract and scanned copy of the duly filled Registration form to "iptcon2018a@gmail.com".
