

Awareness Programme on “Toll Free Numbers and Mobile Apps for Women Protection” for B. Com 1st year Girls at Emeralds Degree College, Tirupati

on 02-08-2023

Atrocities against girls and women are increasing day by day. To tackle the crimes against women the Government taken many protective measures for the help of women in distress. Lack of proper awareness on this is also one of the reason for the increase in crime rates against women. In view of this the Women’s Studies Centre of Sri Padmavati Mahila Visvavidyalayam, Tirupati, Research Associate Dr.E. Kona Prabha has organized an “Awareness Programme on “Toll Free Numbers and Mobile Apps for Women Protection” for B. Com 1st year girl students at Emeralds Degree College, Tirupati on 02.08.2023. The main objective of the programme is to create awareness among students about some important toll-free numbers and mobile apps introduced by Government that exist for the protection of women and to promote apps installation and usage. In this awareness programme the students were sensitized about the toll free numbers Dial 100, 112, 181, 139, 1091 etc and AP Police Seva App and Disha App. And also, Pamphlets prepared in Telugu on the existing Toll-free numbers and Mobile apps for the protection of women were distributed to the students. Totally 64 Students attended the programme. The Programme was assisted by Dr. M. Indrani, Research Assistant and Dr. M. Sucharitha, Professional Assistant.

Dr. E. Kona Prabha Sensitizing the Students about the existing Toll-Free Numbers and Mobile apps for the Protection of Women
