

SRI PADMAVATI MAHILA VISVAVIDYALAYAM, TIRUPATI

M.A. ECONOMICS

The M.A. in Economics is a programme designed to develop a generation of economists who possess the necessary theoretical knowledge and technical skills required for high-quality analysis that is embedded in India's institutional, cultural, and ecological context.

M.A. Economics has been started in Sri Padmavati Mahila Visvavidyalayam since 2003 and has been making significant contributions to academics and policy making at the local and national level. Economics in SPMVV has a distinguished legacy of retired teachers and intellectuals such as Prof.K.A.Parvathy, Prof.D.Padmavathi, Prof.I.Shobhavathamma, Prof.B.Suguna Reddy, Prof.R.JayaSree, Prof.D.B. Krishnakumari, Prof.G.Sandhya Rani. At present the faculty members are Dr.P.Neeraja, Dr.M.Padmavathi, Dr.P.Madhavi.

The Department is actively involved in the Research Programmes on various thrust areas. PhD in Economics has been introduced in the year 2019-20 on Full-time and Part-time basis by following the UGC guidelines.

Our programme aims to provide students with the opportunity to analyse individual decisions in product and factor markets using economic models within domestic and global contexts. The programme also develops students who are socio-politically aware and quantitatively adaptable, allowing them to work in the public and private sectors. In this PG Programme students are also trained to provide contextual solutions to contemporary problems and analyse the performance and functioning of the government, markets and institutions.

On completion of this programme students will have the opportunities to apply for the posts such as economists, academicians, researchers in Colleges and Universities, Indian Economic Services, Research Offices, organizations dealing with economics like Bureau of Economics, Export and Import Promotional Councils, Print media, in Banks, Insurance Companies, Stock Market, Trade Association, Market Research Companies. Students are also prepared for competitive examinations like UPSC and others.

Being a Women's University, the department also conducts various seminars, lectures, workshops on the latest trending topics of AI, Cyber Security and Safety, Health and Hygiene, for the empowerment of girls in the society.
