Vision

To be premier centre of education, both general and professional, for women to acquire knowledge, skills and attitudes required to lead life as complete citizens and pursue careers of their choice

Mission

Emanacipation of Women through acquisition of knowledge and empowerment through skills up graduation involvement and participation in various occupations in the society, towards the end of establishing a progressive egalitarian society.

Message from the VICE-CHANCELLOR

The global employment industry today has revamped from what it was a decade ago. Organization are not only searching for people with a prescribed skill set, but more importantly, people with potential to broaden this requisite skill set during their work.

Through their meritorious contributions, our ingenious alumni have set new standards in the corporate world and it is my firm belief that we will continue that legacy in the years to come.

Message from the REGISTRAR

The placement and career counseling cell operates successfully in providing SPMVV students with multiple job-oriented training and imparting company specific skills and providing students with placement opportunities. The cell constantly pitches different industries to build partnerships and network with industry people for placements.

Message from the PLACEMENT OFFICER

Starting from the first year, The Placement Cell organizes career guidance programs and training programs such as Mock Interviews, Group Meetings, Communication Skills, Technical Trainings, Workshop, etc., for all students.

It also allows HR executives from various industries to conduct training.

The maximum salary package has exceeded notably, from 3.36LPA to 10LPA. We would like to thank all the stakeholders involved in the placement process, as this process would not have been completed successfully without their unconditional support and assistance. We would also like to express our appreciation to our fellow faculty members, students and distinguished alumni who have assisted and facilitated the smooth conduct of the placement process.
